**Choose one of the following questions to respond to. Use at least 2 pieces of textual evidence (including page or chapter numbers) to support your response. It must be 8-10 complete sentences with quality writing. Use lined paper if need more room to write.**

1. Why did the publisher choose the title that they chose? Give 2 places the title relates to the story or is developed in the story?
2. What are 2 aspects you would change about the story, and how it would make it better? Give page numbers of parts you would change and textual evidence to support your opinion.
3. How does the setting impact the story? How would the story be altered in a different setting? Provide 2 examples.
4. Who is the protagonist of your story, and what flaws do they have? How do these flaws hinder their success in the story? How do they overcome these flaws?
5. Choose two different characters: one who is stagnant, and one who is dynamic. For the stagnant character (non-changing), describe them and tell how the author described them in-depth. For the dynamic character, explain how they started in the novel and then explain how they had changed/developed more by the end of the novel, as well as what caused this change.
